

Fernie Nordic Society Warming Hut Rental Policy

The primary purpose of the Warming Hut (the "Hut") at the Elk Valley Nordic Centre (EVNC) is for daytime, social use by Fernie Nordic Society members and EVNC day pass holders. The secondary use is a base for FNS special events and weekly Jackrabbit lessons. If the building is not being used for the intended primary and secondary uses, it may be rented by private and non-profit groups for day and overnight use.

During the winter months, all guests are required to have current FNS memberships or an active day pass.

Warming Hut Rules

By completing the EVNC Warming Hut Rental Application, the applicant or group agrees to follow the Warming Hut Rules. Please initial all pages of this application and sign at the last page. Failure to follow these rules will result in forfeiture of your deposit. Thank you for your thoughtfulness and consideration in helping us maintain this facility.

1. **Cleanliness** - Leave the Hut as clean and tidy as you found it, inside and out. If any cleaning is required after your departure it will be deducted from your deposit. Keep the inside of the Hut free of crumbs or food items of any kind upon your departure. There is a broom and dustpan in the Hut. If anything was spilled on the Hut floor, benches or tables, please clean thoroughly - we do not want any wildlife attractants.
2. **Fires** - Fires are permitted in designated bonfire barrels and fire pits only. Use of propane, gas or flammable fuel to start a fire is prohibited. Fires may only be started using matches and kindling. There shall be no open flames or candles inside the building. Never leave a fire unattended and fully extinguish fires at night and before leaving the Hut. All fires must comply with the BC Wildfire Service Open Fire Regulations (**See Appendix A) and any open fire regulations or campfire bans in effect, found at <http://www2.gov.bc.ca/gov/content/safety/wildfire-status/fire-bans-and-restrictions>
3. **Indoor Fireplace** - You may use the chopped wood available at the hut. Please note this is a high efficiency stove and does not need to be fully filled to warm the hut. Keep fireplace door shut at all time when in use. Do not move or remove gate around fireplace. Absolutely no drying of items above fireplace. Do not place any item on or against the fireplace. Do not put anything in the fireplace other than wood products. Do not remove the fire extinguisher from the Hut. Do not fill the fireplace with new wood within **2 hours** of your departure. (**See Appendix B)
4. **BBQs** - Gas and/or charcoal grills are permitted outside the hut only. No open grills or BBQs are allowed inside the Hut.
5. **Smoking** is not permitted on the property. There shall be no discarding of cigarette butts outside the hut, on EVNC land, in the parking lot or in the bushes. (**Your deposit will not be returned if there is evidence that guests were smoking in or around the hut or if cigarette trash is left outside.)
6. **Garbage** - All trash, decorations, food, etc. should be removed from the building at the time of departure. There shall be no garbage outside the hut at any time during your stay. (**This is an active environment for wildlife and we do want to encourage visits, by bears in particular.)

7. **Washrooms** - during summer months Mt. Fernie Provincial Park maintains washrooms west of the Hut. During winter months there is a porta-potty located in the upper and/or lower parking lot. There shall be no garbage or food placed in these porta-potties.
8. **Pets** - no pets are allowed inside the Hut at any time. During winter months pets are not allowed on the cross-country ski trails. Dogs are discouraged on the trails in the summer months as per Bear Aware guidelines (they may provoke aggressive behaviour by bears).
9. **Winter use** - during the winter you must follow winter use rules for the EVNC - trails at the EVNC are for cross-country skiing only; no walking, snowshoeing, biking or pets are allowed on the trails. There are a variety of multi-use trails throughout Mt Fernie Provincial Park.
10. **Alcohol** - Glass is prohibited in or around the Hut or on EVNC land. Proper licencing from the relevant government authorities must be obtained if you are selling alcohol.
11. **Membership/Pass** - During the winter months, all guests are required to have a current FNS membership or an active day pass.
12. **Bear Aware** - The EVNC and surrounding area is an active ecosystem for many wildlife including mammals like bears and moose. Please ensure you are Bear Aware and follow all guidelines for firstly avoiding contact with bears and secondly handling bear encounters appropriately. (**See Appendix C)

Fee Schedule

The prices below do not include GST or trail fees.

We encourage youth and non-profit groups to access this beautiful facility. If you have specific questions about rentals please contact admin@fernienordic.com.

Please note, that although you book the Hut privately, the public will still have access to the facility during daytime hours in the winter ski season and particularly during ski lessons on weekends. This is for safety reasons.

Damage Deposit for all rentals is \$150			

* no overnight permitted for daytime rentals. Full days are considered to be 11am - 7pm

** 24 hour rentals start at 11am and end at 11am the following day.

Trail Fees Explained

During the winter months FNS facilitates insurance for EVNC users through Cross Country BC. Included in each annual membership and day use fee is insurance for your time on the trails. For this reason, during the winter all users of the trail system at EVNC must buy either an annual membership or day use pass. The remainder of the income generated from memberships and day passes goes directly to grooming the trails - a costly but necessary expense.

FERNIE IS WILDLIFE COUNTRY

The Safest Wildlife Encounter is One Prevented

AVOID SURPRISE ENCOUNTERS
Call out, clap your hands, sing or talk loudly.

LOOK FOR SIGNS OF WILDLIFE
Tracks, droppings, diggings, claw-marked trees, torn-up logs, overturned rocks and food caches.

TRAVEL SMART
Stay in groups, stay on marked trails and travel in daylight.

DO NOT LITTER
Pack it in, pack it out.

CARRY BEAR SPRAY
Keep it accessible and know how to use it as your last best defense.

DOG OWNERS
Keep your dogs under control. They may provoke defensive behavior in wildlife.

CYCLISTS
Speed and quietness put you at risk for sudden encounters. Slow down and make noise.

Never Approach or Feed Wildlife

Report human/wildlife conflict to
1-877-952-7277(RAPP) or #7277 on cell.

For more information on preventing
human/wildlife conflict visit www.wildsafebc.com

If you see a bear:

- STAY CALM
- DO NOT RUN
- Let the bear know you are human (arms out to side and talk to the bear in a calm voice).
- Back away slowly and allow the bear an escape route
- Never turn your back on wildlife
- Do not approach or feed wildlife
- Do not take the time to photograph wild animal
